

## WAUKESHA KENNEL CLUB BREEDS & SERVICES DIRECTORY

For many years the Waukesha Kennel Club has maintained a 24-hour Breeds & Services Directory Referral Service. This is accomplished by means of an answering service, which is listed in the telephone directory. **(800-236-2074)** Callers are referred to breeders and breed clubs listed in the Directory, which is published yearly and distributed with the catalog at the Waukesha Kennel Club summer show and sent to all veterinarians, groomers and pet supply outlets in the Greater Milwaukee area. Listings are arranged alphabetically by breed and include breeders, breed clubs, professional handlers, boarding, grooming, obedience training and other dog related services. **The Breeds & Services Directory is also online at our web site: [www.waukeshakennelclub.com](http://www.waukeshakennelclub.com) and [www.waukeshakennelclub.org](http://www.waukeshakennelclub.org).** The online Directory is continually updated. Listings are accepted throughout the year for the online Directory at the price shown below.
